

March 31, 2010

Dear Class 204 families,

April is an exciting month as we prepare for Earth Day. In Class 204, we will be incubating chicks, anticipating their hatch, watching the hatch, and watching the chicks turn into beautiful chickens. We will also watch the metamorphosis of butterflies. We will be doing many science projects in our classroom this month as we explore science and lifecycles. Please make arrangements to attend our Earth Day celebration on April 22<sup>nd</sup> from 3:00 – 4:00 pm. You will be able to see the progress our chicks and butterflies have made, as well as the amazing projects the other classes have worked on.

We will have a field trip on Wednesday, April 28<sup>th</sup> to Petco to learn more about the animals they sell and their habitats. The cost for this trip is \$3.00 (cash, please). We will depart Kingwood Montessori at 9:30 and return in time for noon dismissal. Please send your child in their Kingwood Montessori shirt with their car seat.

Have a great month!  
Sarah and Amy

Month at a glance:

April 2 <sup>nd</sup>	School Closed
April 5 <sup>th</sup>	School Closed
April 22 <sup>nd</sup>	Earth Day Science Fair from 3:00 – 4:00
