

Practical Life Activities		Practical Life Continued		Sensorial Activities		Geography	
Sitting on a chair		Nuts and bolts		Touch Boards		Body awareness	
Walking on a line		Funnel pouring		Touch Tablets		Cardinal Directions	
Silence		Tonging		Fabric sorting		Town Map	
Shaking hands		Scissors		Mystery bag		Land/Air/ Water	
Walking around obstacles		Watering plants		Sorting		Globe – land and water	
Sitting on a line		Flower arranging		Cylinder blocks		Globe – continents	
Saluting and pledging the flag		Folding		Pink Tower		Hemisphere Map	
Watching		Dressing frames		Brown Stair		Land and Water Forms	
Interrupting		Polishing		Red Rods		Maps	
Walking in the class		Rock scrubbing		Knobless Cylinders			
Opening and closing doors		Hand washing		Color Box 1			
Blowing nose		Table washing		Color Box 2			
Using the toilet		Dish washing		Sound Basket			
Restoring the environment		Food preparation		Sound Cylinders			
Hanging up a coat		Sewing		Thermic Bottles		<b>Science</b>	
Dusting				Thermic Tablets		Solar System/Planets	
Sweeping				Baric Tablets		Weather	
Table top cleanup				Cylinder Grid		Non-living/ living	
Floor clean up				Geometric Solids		Plant/Animal	
Carrying a tray				Geometric Solids Bases		Leaves/Trees	
Carrying a box				Geometric Cabinet		Fish	
Carrying a table				Geometric Cards		Amphibians	
Carrying a chair				Color Box 3		Birds	
Carrying a pitcher				Bells		Reptiles	
Carrying a pail				Smelling Bottles		Mammals	
Rolling and carrying a rug				Tasting Bottles		Flowers	
Putting on a folding aprons				Tasting Party		Life Cycles	
Handling and carrying scissors				Constructive Triangles		Magnetism	
Puzzles				Monomial Cube		Sink/Float	
Bead Stringing				Binomial Cube		Temperature	
Peg Board				Trinomial Cube		Color	
Nesting barrels							
Popup Beads							
Dry pouring							
Transfer with hand/scoop							
Wet Pouring							
Lids and containers							

Language Activities		Language Activities Continued		Mathematics Activities		Mathematics Activities Continued	
Conversations with objects		Grammar - nouns		Cover it all up		Linear Counting – 1000 chain	
Conversations with pictures		Grammar – articles		Matching		Subtraction w/ number rods	
Matching object to object		Grammar – adjectives		Put and take		Subtraction strip board	
Matching object to picture		Grammar – farm		Number rods – red and blue		Bank Game Sub. w/o exchange	
Matching picture to picture		Writing – Morning Message		Discrete Rods		Bank Game Sub. w/ exchange	
Rhyming with objects		Creative Writing – invent spelling		Sandpaper numerals		<i>Bank Game Mult. w/o exchange</i>	
Rhyming with pictures		Writing - Research		Wooden numeral cards		<i>Bank Game Mult. w/ exchange</i>	
Language Experience Stories				Bridging sp and wooden numerals		<i>Multiplication Bead Board</i>	
Line Time Activities				Number rods with numerals		<i>Multiplication Bead Box</i>	
Songs, Fingerplays, Poems				Spindle Box		<i>Division Introduction</i>	
Read Aloud				Zero Game		<i>Bank Game Division</i>	
Books				Card and counters (odd and even)		<i>Division Bead Board</i>	
I Spy – initial consonants				Memory Game		<i>Addition Stamp Game</i>	
I Spy – ending sounds				Bead Stair		Fractions – equivalent	
I Spy – medial sounds				Decimal System – introductory tray		Measurement w/ Discrete Rods	
Sandpaper letters				Linear counting – teen numbers		Measurement w/ Discrete centimeter	
Composes words with SL				Decimal System – building tray		Measurement w/ meter stick	
Composes words with MA/objects				Linear counting – teen board		Measurement w/ balance scale	
Composes words with MA/pictures				Addition w/ number rods		Time Introduction	
Reads labels for objects				Decimal system – 45 layout		Time – calendar	
Reads sight words				Decimal System – Crisis of 9		Time – days/months	
Read phrases & matches w/ pict.				Linear Counting – Tens Board		Time – standard calendar	
Metal insets				Addition with dice		Time – Seasons	
Traces letters				Decimal system – Fetch and exch.		Time – First Time Line	
Writes class names				Positive snake game		Time – intro to the clock	
Copies sentences				Addition strip board		Coin Identification	
Reads command card and performs				Decimal System – Bank Dice Game			
Reads sentence cards				Decimal System – Change game			
Reads non phonetic words				Decimal System – Dice Game			
Reads environmental labels				Linear Counting – Hundred’s Chain			
Reads silent E words				Linear Counting – Hundred’s Board			
Reads phonograms/ match to obj.				Coin Exchange for Pennies			
Read phonogram booklets				Linear Counting – short chains			
Reads phonetic readers – short v.				Bank Game Addition – no exchange			
Reads phonetic readers – long v.				Bank Game Addition – w/ exchange			
Reads phonetic readers – blends				Linear Counting – Long chains			
Reads phonetic readers - digraphs				Subtraction Introduction
